

EXHIBIT A

I previously received notification that I may be a member of the Wood (small-pumper) Class in the *Antelope Valley Groundwater Litigation*, and excluded myself from the Class. I hereby state that I elect to be included in the Class and do not wish to participate as a named party in the litigation. I understand that I cannot later change this election unless permitted by the Court. I confirm that I own property within the Antelope Valley Groundwater Basin and groundwater has been pumped on that property in or after 1946, but never in an annual amount exceeding 25-acre feet of water.
